UNISOUGHN/ABOUT

DIFFERENT VOICES. ONE VISION.

UNISOUGHN is built on individuality, connection, and the belief that different voices can create something stronger together

OUR STORY

MORE THAN A SOUND

UNISOUGHN began with a shared passion for music and a desire to create without losing individuality. Each member brings a different perspective, style, and sound to the group. Together, those differences become the identity of UNISOUGHN.

MEET UNISOUGHN
