

WEBSITE PROPOSAL

Website name: Unisoghn Takeover

Website Description:

This website will be about a music group and give people a place to learn more about them. People who visit this site will be able to learn more about the members of this music group and the type of music they sing and perform. This website will show pictures of each member and share information about the upcoming events/performances. On this website, visitors will also have access to the group's social media and to their music that's posted on different platforms. The biggest feature this website will offer is a booking page. The booking page lets people request to book the group for an event. Overall, the website will help the group promote their music and connect with their fans.
